Sparky and Lily

Once upon a time,
there ^{were} two bees
called Sparky and
Lily. They lived
with their parents
in a beautiful
flower.

Everyday, Sparky
and Lily went to
school where they
met other animals.

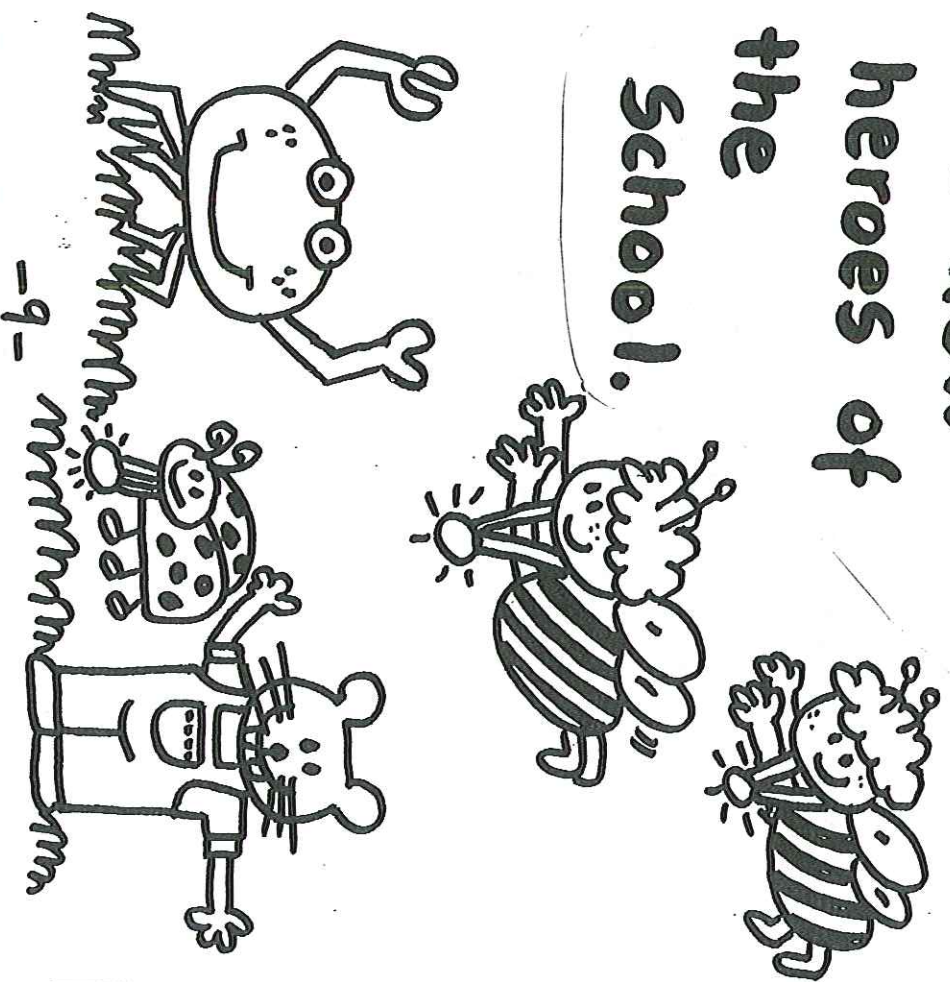

Their best friends
were 3 mice: Thunder,
Ray and Ploop.

One day, during
the break Miss Star
and Mr Sun slept
on a tree while the
children played.

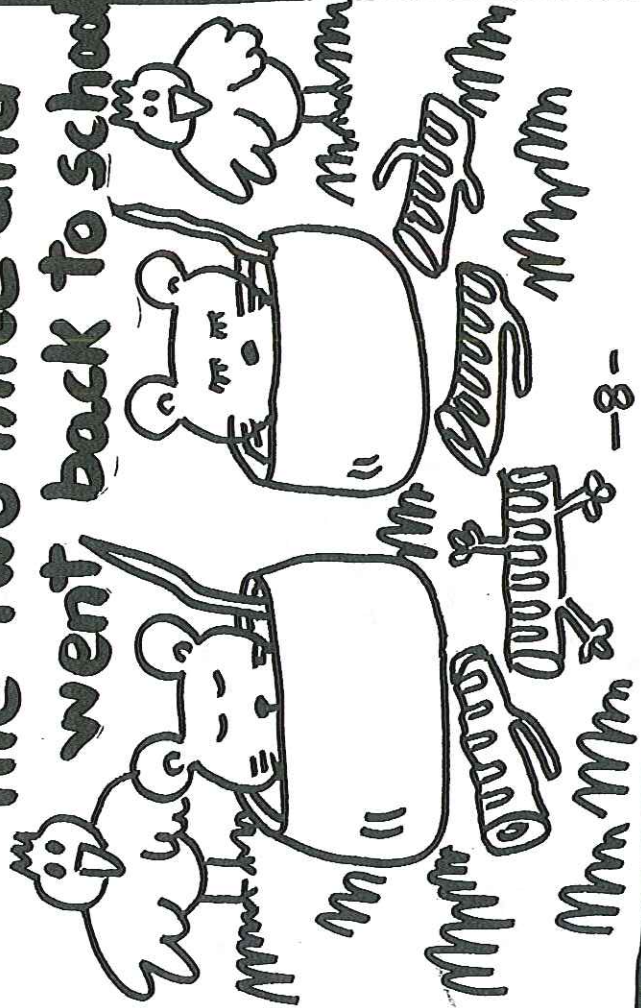

Mr. Chack gave
them a gold medal
and they became
the new
heroes of
the
school.

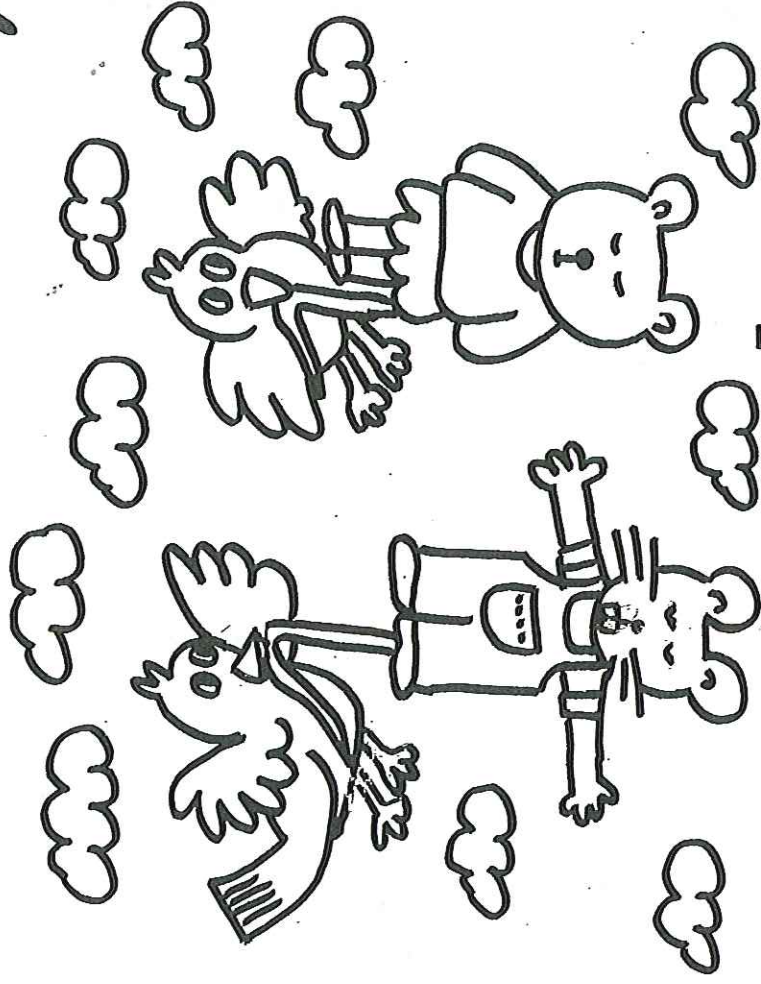

Five minutes later, they found the birds thinking how to cook Ray and Ploop.

Sparky, Lily and their new friends rescued the two mice and went back to school.

Suddenly, a group of birds attacked the children and took Ploop and Ray.

All the children screamed and ran away.

Sparky and Lily
went to the
headmaster's office.

- Mr. Chack! Mr. Chack! - Said
Sparky.

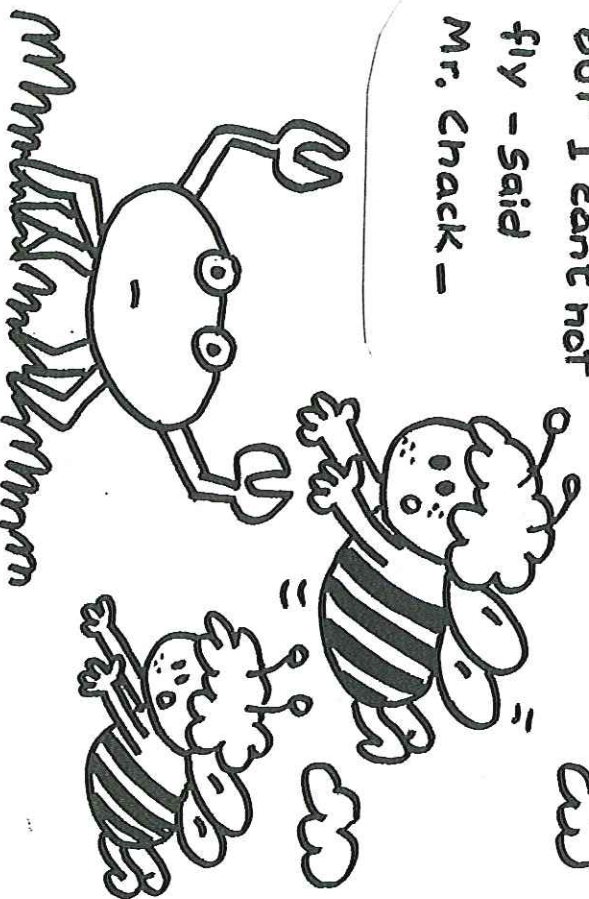

- A group of birds took Ploop
and Ray away! Said Lily.

- Oh my God!

But I can't not

fly - Said

Mr. Chack -

6-
- Follow them and bring Ray and
Ploop back!

Sparky and Lily
flew after the birds.
When they felt
tired, they rested
on a group of flowers.

The flowers were full
of ladybirds that
joined
Sparky and
Lily.
